

Australian Uni Games 2008

Melbourne 29th September-3rd October

The Adelaide University Touch club is looking for players keen to play in this year unigames.

Unigames is often described as “the best week of your life” with its mix of sport and partying.

This year we are looking to send 2 mixed teams to this week-long celebration of student life. Hence we need 12-14 males and 12-14 females to fill these teams.

Highlights of previous trips include

1. Finishing 5th in the 2007 AUG's on the Gold Coast
2. Team Members search for love in every Australia state
3. One lucky team mate and her choir of adoring UNSW hockey players
4. The Traditional rivalry between us and UWS¹ both on and off the field².
5. The adventures of Jeff the 2007 AUG team mascot
