## CLUB'S CORNER

### NEW MARTIAL ARTS CLUB

Adelaide University's newest sporting club, the Kali club, held its first AGM on 3 June. Kali is a mixed martial art, with a Filipino-based foundation.

The club, under first President, Jan Duncan, is seeking interested students and staff to join the club, which will be training on campus. All enquiries to Jan on [jan\\_aquilino@hotmail.com](mailto:jan_aquilino@hotmail.com).

In accordance with the recently approved AUSA policy, the club must operate for 18 months prior to seeking formal affiliation with the Sports Association.

### SOS DISTRESS CALL

Due to the retirement of Husam Seif as President of both the Sailing and Boardriders clubs, there is an acute need for someone to take over one or both of the above clubs in the short term.

Through government and AUSA grants, the two clubs have modernised their equipment over the past 12 months. Ideally, an Adelaide University student or staff member would fill the breach admirably. If not, the AUSA will be forced to temporarily close down the clubs' operations until someone can be found later in the year.

If you are interested, please refer your enquiries to Caitlin or John, on 8303 5403 or [sdo@theblacks.com.au](mailto:sdo@theblacks.com.au)

### VOLLEYBALL PRESENTATION NIGHT

One of the highlights of the Adelaide Universities social sporting calendar is the AUVCs Presentation Night, an event that celebrates and awards its members for their achievement over the last year. The event's highlight is the presentation of the James Daniels Medal and Daniels Family Scholarship, along with the Swift Family Scholarship. Both the Daniel and Swift family members have been Club Presidents and have been instrumental in progressing the club to the stage it is at today.

The 2010 AUVC Presentation night saw the unveiling of a new award, the Bridgwood Beach Volleyball Shield. With the ongoing development of beach volleyball talent at the university and with our prowess in local competition and at the AUGs, it is an award that showcases outstanding achievement and growth within beach volleyball.

Congratulations to all award winners and thank you to all for a successful night.

Hockey, Golf and Tennis

#### What is your secret 'sporting' weapon?

My speed

#### Who would you pick to play a movie about you and why?

Edward Norton. The boy can act.

10 weeks with a fractured knee cap.

### Jeff Dutschke

Vice President of the AUSA  
President of the Adelaide University Touch Club

#### How long have you been part of the AUSA?

I joined AUTC in 2004 and went to the Southern Uni Games in Geelong about 5 weeks later. We won the semi-final 13-12 in a drop off, and claimed gold a few hours later. Good times.

I joined the AUSA board of management in 2006.

#### What sport(s) do you play?

Touch Football regularly. Golf, tennis, cricket, netball, triathlon and bocce less often. I also boundary umpire in the Amateur League and referee touch at local and State-league level.

#### What is your secret 'sporting' weapon?

The ability to pull a 5 wood out of my bag and slice my ball around a 90 degree dog-leg; regardless of if the dog-leg exists or not.

#### Who would you pick to play a movie about you and why?

I don't really watch movies, but I think an a'capella performance by Bobby McFerrin and pals would be fun to observe.

#### What item can you not live without and why?

A snack, because I am often hungry.

#### Worst injury sustained from sport?

The smallest girl on our 2006 uni games team managed to break a bone in my skull with her forehead while we both attempted to make a touch. We didn't. We lost by the touchdown that resulted. We didn't make the top 4 by 1 game. Not so good times.
